Fire evicts South Bay families

SOUTH BAY—Homes and clothing were still being sought Wednesday for an estimated 90 people who were burned out early Monday morning by a blaze which destroyed a 40-some-year-old boarding house on Northwest Tenth Street.

Families and individuals caught in the fire, many of whom escaped only with the clothing on their backs and three of whom were injured, were receiving help through the early part of the week

from a variety of sources, including two churches, the Farm Workers Council, Alcoholics Rehabilitation Center, the Community Action Council and the American Red Cross.

Many of the refugees were offered shelter for the remainder of Sunday night and Monday night, at the City Hall and others were being cared for in the CAC and Alcoholics Rehabilitation Center buildings.

Clothing and other supplies were being gathered by a number of agencies and individuals, including the congregations of the First Baptist Church and the Deliverance Temple in Clewiston.

Acting Fire Chief Lomax Harrelle said Tuesday evening State Fire Marshal Al Schiller had determined that day the cause of the fire was an electrical shortage in the east side of the front of the Muck Building, which contained 47 apartments and was owned by Mrs. Martha Griffen of Belle Glade.

"The building was a total loss," Harrelle said, "but we were fortunate no one was killed. We only had a response time of six minutes and you can't beat that anyway but the building was made of what we used to call fat lighted pine and there was no way we could stop it."

Harrelle praised everybody who took part in the fight, from the police who had everybody out of the building by the time the firefighters started to put water on it, to the South Bay firefighters and the Belle Glade Fire Department, which answered a call for assistance roughly an hour after the first call was answered by the South Bay volunteers at 12:36.

Also the City Utilities Director, Harrelle maintained close contact with the city water plant and said there were three pumps at the plant putting 77 pounds of pressure on the line for some time but the South Bay and Belle Glade fire equipment were pulling water out so fast at the scene, the pressure at the fire hydrants was only about 15 pounds per square inch.

"We could have blown the main right out of the ground," he said, "if all the fire equipment had shut down without coordination in the plant, but I had radio contact with him (the water plant operator) at all times."

Harrelle said approximately 135,000 gallons of water were pumped on the flames from the time the first unit arrived on the

scene until the hoses were rolled up at 8 a.m.

Firefighter Willie Ben Beaufort said there was a total of some 3,000 feet of hose deployed in fighting the fire and he and Harrelle both said the major reason Belle Glade was called for assistance was because all the hoses on the South Bay engine were in use and there was still a shortage of water.

Beaufort said that by the time the first units arrived on the scene, the fire, which began on the second floor, had already penetrated the roof.

Harrelle pointed out this was

South Bay OK's Belle Glade agreement

SOUTH BAY—The City Commission approved an agreement Tuesday night in which Belle Glade is to supply water to the city during emergencies, with the provision an appeal was to be made for lower rates than in the agreement.

City Utilities Director Lomax Harrelle said he had noticed the agreement calls for South Bay to pay the rate established by Belle Glade ordinance unless a different rate is established by written agreement.

He said that works out to about \$1.88 per 1,000 gallons and he would like to see first if Belle Glade will agree to a lower rate, preferably at cost.

The commissioners approved the agreement with the stipulation City Attorney James Gann will meet with Belle Glade City Attorney John Baker to work out the rates.

The water is to be supplied by a line to be laid by South Bay along SR 80, which will replace a line torn-out during the highway's four-laning by the State Department of Transportation.

The DOT has agreed to pay \$77,000 toward the \$98,000 cost of the project as compensation for removing the line that was existing.

Harrelle told the commissioners, when there was some comment made on the rates and Commissioner Woodrow "Woody" O'Neal asked why the connection with South Shore Water Users couldn't be used instead, that even with that emergency line, there is only one 12-inch line south of the railroad and if that line were to be

broken north of the tracks, there would be no water at all for the rest of the town.

In other business:

• O'Neal announced he had had

nothing to do with the selection of Acting Police Chief Bobby Lee McGaha in a delayed regular meeting on Jan. 4 and he hadn't known it was coming up for discussion.

"I think the hiring of the new police chief, and I don't even know

Cabinet approves lease

Solid waste plan takes a giant step

BELLE GLADE—A centralized solid waste disposal facility for the Glades took a giant step closer to reality Tuesday when the State Cabinet agreed to lease a 26-acre plot of land adjacent to the Belle Glade sanitary landfill to the Palm Beach County Solid Waste Authority.

The 26 acres is the site for a proposed triple answer to getting rid of garbage and trash for everybody west of 20-Mile Bend and the cabinet action marks a major plateau in the realization of that proposal.

Authority Executive Director Tim Hunt said Wednesday in a telephone conversation with the Belle Glade Herald the cabinet's unanimous action could mean the lease will be in hand within 30 days.

I asked what the time schedule would be," Hunt, who went to Tallahassee for the cabinet meeting, said, "and they said they'd send a letter march schnell, within a week, and then send a formal lease agreement to us, which we'll sign and send back to them. It shouldn't take more than 30 days."

Hunt said in a meeting Monday night of the Glades Facility Budget Policy and Advisory Committee (BPA) that once the lease is in hand it will take him approximately 90 days to put together the financial package required for the application to have the project funded by the Farm Home Administration.

Hunt read a copy of a letter he'd received from the FHA office in Gainesville which indicated the federal agency is willing to fund \$1.65 million of the \$3.1 million project. Although the letter only referred to a loan, Hunt assured members of the BPA Committee he understands half of the amount will be in the form of a non-refundable grant.

The joint project, being undertaken by the authority, the county, the cities of Belle Glade and

South Bay and, possibly, the City of Pahokee, will include an incinerator, a landfill and a mulching operation.

Four of the five agencies have already signed an agreement to work together and Hunt gave William McKinstry, the Pahokee delegate to the BPA, a copy of a new contract agreement to present to the Pahokee City Council for consideration.

McKinstry said he would deliver see SOLID WASTE P7

SR 715 bridge to be one-laned for today

The southbound lane of SR 715 will be closed most of today at the bridge just south of Rardin Park while a work crew hangs a water line, according to Ron Sigmon, Public Works Director for the City of Belle Glade.

Hanging the water line from the bridge is one of the last pieces of work being done by the Belle Glade work forces in laying the nine-inch water main in a joint county-city effort to supply potable water to Rardin Park.

Sigmon said the bridge, in the curve south of the park,

will be reduced to one-lane traffic from about 8:30 a.m. to about 2 p.m. while a work crew completes that phase of the job. He said he was purposely holding up the beginning of the work until 8:30 in order to let early southbound traffic pass through.

He said the last part of the work, boring and jacking a line across SR 715 at Hooker Highway, will probably take place sometime next week but won't interfere with traffic. He said it would be about two weeks after that before water is supplied at Rardin Park.

Local boy convicted of murder

SOUTH BAY—A local 17-year-old was convicted of murder in the first degree Friday in connection with the Sept. 30 killing of Jeffrey Johns of West Palm Beach in an armed robbery of Nipper's Department Store in Lake Harbor.

Circuit Judge Marvin Mounts is expected to pass sentence Friday on Willie James Smith, 17, of South Bay.

The trial was the first of three separate cases which will be tried involving the three suspects in the armed robbery-murder and was the first in years to be personally prosecuted by Palm Beach County State's Attorney David Bludworth according to State's Attorney Investigator Theo York.

York said Hardwick Dendard, 21, of 140 N.W. Sixth Ave., will start his trial Monday and the trial of Ethelred Kelly, 19, of 111 Apollo Dr., the last of the three involved, is supposed to go to trial in the near future.

The three South Bay men were arrested in Clewiston by Hendry County Sheriff's deputies before Palm Beach County deputies had completed their on-the-scene investigation at Nipper's.

According to witnesses at the scene, Johns, the son of the owner, Robert Johns, had been bound and forced to lay on the floor by two men while a third waited in a van outside the store.

After stripping the cash register of approximately \$1,000, the two then demanded Johns give them more money and, when he refused, one of them shot him in the back with a .45 caliber automatic pistol while his stepmother lay on the floor beside him.

Raiders maintain lead over Number 1 Mustangs

BELLE GLADE—The Glades Central Raiders continued to find themselves in the unusual position Wednesday morning of leading the Suncoast Conference West in basketball, after defeating Suncoast High, when another team in the conference is ranked number one in the state.

The Raiders outshot, outran and out-defended the Chargers Tuesday night to come up with a 79-71 win to remain undefeated in conference play and retain their half-game lead over undefeated North

Shore, the state's number one Class AAA basketball team.

The Suncoast victory was the Raiders' sixth straight, giving them a season record of 9-4 and a conference record of 4-0. The Mustangs have a 3-0 conference record, setting up the possibility of a head-on collision between two teams with perfect conference records when they meet at North Shore Jan. 28.

The only other conference foe facing the

Raiders before then is Atlantic, scheduled for a face-off Friday night in the Glades Central gym. They also face non-conference games against Jupiter on Saturday in an away game and return home the following Friday for a game against Clewiston.

Coach Jay Seider's Raiders built a 13-point lead by the end of the third quarter, when Glades Central led the contest, 63-50 and Seider began putting in replacements.

The 5-9 Chargers began to slowly close

area. Helping put the final touches on the facility Tuesday were city employees Mel Fomesbeck, Bernie Shinsing, Mike Boyd, and Earl Mack.

the Raider lead, however, until late in the final period when Seider began putting the first string players back onto the court.

Jessie Haynes once again led the Glades Central scoring, making 27 points. He was followed by two other double-digit players; Arthur Slater with 18 points and Melvin Weston with 13.

Other Glades Central scorers were Michael Staples with nine, Rufus Chambers with eight and Joe Byrd with four.

An open letter from Glades Sugar Cooperative

Jan. 12, 1978
Open Letter to our Members,
Employees and Friends:

We were notified by the International Association of Machinists and Aerospace Workers that as of yesterday, they terminated their five-day recognition strike of the Cooperative.

During this period, the Cooperative harvested and processed the following daily tonnages:

Friday, January 6 - 10,587 tons.
Saturday, January 7 - 15,725 tons.
Sunday, January 8 - 14,559 tons.
Monday, January 9 - 13,151 tons (wet conditions).
Tuesday, January 10 - 14,615 tons.

13,587 tons average per day for 5-day period.

We are highly appreciative of everyone who assisted in achieving the above grinding rate and holding the Cooperative's losses to a minimum.

To our employees who did their part and more to keep the Cooperative operating normally, we deeply appreciate your efforts.

We are grateful to our member-growers and their employees and friends who did an outstanding job in filling the temporary vacancies to avert a shutdown of the Cooperative operation. Their numbers exceeded 150 and without their efforts, we would have failed.

The BWICLO liaison staff and the West Indian workers proved

the soundness of their policy to not be intimidated in crossing picket lines at their residence and, as a result, allowed not only a continuation of harvesting, but also uninterrupted of their own earnings. We are grateful for their efforts and actions under difficult circumstances.

The great efforts by all law enforcement agencies to assure all parties of a peaceful climate during the past few days was outstanding. Their professional, impartial approach proved

to be effective and of great benefit to the community. Everyone is indebted to them for a job well done.

To all of our friends in the Glades community, we thank you for your help and the many offers of assistance.

We want our returning employees to know that their jobs were held open as long as possible. We purposely used voluntary temporary drivers and equipment operators that could return to their regular jobs, allowing the ab-

sent employees to return to work. Those employees that were late in returning will be rehired when a vacancy opens.

Also, we want to assure the returning employees that we welcome you back and want to continue to work with you to determine and correct any legitimate grievance you may have.

Through the united efforts of everyone, we were able to continue operations in almost full production, with only minor losses. However, no one wins in a

strike. Both sides suffer. We did gain in one sense by learning that when enough of our employees want to work, when our member-growers want their sugarcane harvested, and when we have the help, assistance and understanding of the community, we can avert an economic blow to the area.

We thank everyone for making this possible.

Sincerely,
George H. Wedgworth
President

Freeze and its effects topic of sugar seminar

BELLE GLADE—The January 1977 freeze, and its effects and consequences on Glades Sugarcane, will be the subject of discussion Tuesday, almost exactly a year after the event, during a seminar to be held at 8 p.m. at the Agricultural Research and Education Center.

The seminar will hold one year and five days after the history-making snow fall recorded on Jan. 19, 1977.

The seminar will take place in the form of a panel discussion moderated by J. Wayne Beardsley, a technical assistant with United States Sugar Corporation in Clewiston.

The panel will be made up of Calixto Garcia-Iniguez, a field supervisor with New Hope Sugar Co. in Pahokee; Bernard Marshall, business manager for Sucrose

Growers Cooperative in Loxahatchee; Al Ramirez, farm manager of Reynolds and Thomas in Lake Harbor and Al Waggoner, manager of the sugarcane division of Lykes Brothers, Inc. in Okeechobee.

The panel members will present their particular experiences and observations following last year's freeze, the results of some new practices for handling damaged cane and the effect on stubble cane is one topic scheduled for discussion.

A useful exchange of information is expected, according to County Extension Agent Kenneth D. Shuler, and the Florida Cooperative Extension Service is welcoming growers, supervisory personnel and fieldmen to attend.

Coffee and donuts are going to be served for those who come early.

Delegation to meet at new city complex

Members of the Palm Beach County Legislative Delegation will be holding a series of three public hearings Jan. 30 in three different locations in the county to give the public a chance to provide input on any areas of concern.

The legislators will meet at 9 a.m. at the Boynton Beach City Hall at 120 N.E. Second Ave., at 1:30 p.m. at the Boca Raton City Hall at 201 West Palmto Rd. and at 9

p.m. at the Bank of Coral Springs Building a University Drive and Sample Road.

All citizens of the county are being invited and encouraged to participate in their state government by attending the hearings.

The delegation will also be holding a public hearing at 9:30 a.m. Feb. 10 in the new Belle Glade City Hall in the newly named Belle Glade Municipal Center.

Food Center holding storewide grand opening

BELLE GLADE—FOOD CENTER Supermarket is continuing their Grand Opening this week. They are located at 325 S.W. Ave. B, where Case-Rate was. Owner Charles Ward said the opening had been a success so far.

In conjunction with the grand opening, Food Center is offering reduced prices, and other bargains such as "buy one-get one free" on several items.

Ward also invites everyone to come in and register for prizes which will be given away on January 28. First prize will be a \$100 groceries. Second prize will be a 7-piece set of "Kitchen Delight" cookware, and third prize will be a 11-piece set of Cornet ovenware.

Ward wants everyone to come in and see what he has done to the store. He hopes to see all who

come in become regular customers. Grand Opening prices continue through January 25.

Charles Hall makes List at Stetson

DeLAND—A Belle Glade man earned a 3.0 grade point average to be named to the Dean's List for the fall session at Stetson University here.

Charles W. Hall, son of Mr. and Mrs. Robert S. Wigley of 124 S.E. Sixth St. North in Belle Glade, was one of 119 upperclassman to be named to the list after he made all A's for the session, according to Helen Sassard, acting registrar.

The Dean's List consists of juniors and seniors whose grades average 2.5 or better on a 3.0 scale, with no grade below B.

Students are on FSU Dean's List

PAHOKEE—Cynthia L. Allen, James H. Coney, Alina Serra and David Hal'Unwin, all of Pahokee, were named to the Dean's List at Florida State University for the fall quarter.

The Dean's List is an honor roll of students whose grade averages are "A" or "B" for all courses taken during the quarter. Approximately 2,097 students were named to the fall Dean's List at F.S.U.

In recent years your electric bill, like everything else, has been affected by inflationary pressures.

But the fact is that Florida Power & Light has managed to keep its rates considerably lower than most other Florida electric companies.

In the December survey of 21 Florida electric utilities, the Jacksonville Electric Authority checked the cost of 1,000 kilowatt hours to residential customers.

Those costs are listed here. And, as you can see, Florida Power & Light is among the lowest third - among the least expensive.

That's a position we consistently occupy in these monthly JEA surveys. And one we will do everything possible to maintain, or improve.

Mr. and Mrs. Rhodes

Miss Wiseman weds Mr. Rhodes Dec. 30

BELLE GLADE—Miss Kathy Lynn Wiseman became the bride of Eugene Bradley Rhodes in a double-ring ceremony at the Apostolic Church of Jesus Christ on December 30.

The bride is the daughter of Mr. and Mrs. Charlie Wiseman of Belle Glade.

The groom is the son of Mr. and Mrs. William B. Rhodes, also of Belle Glade.

The church was decorated with two baskets of white gladioli, white football mums and blue iris, palm trees, and candelabra with blue candles.

The wedding music was provided by Mrs. Karen Corbin.

The bride wore a floor-length chiffon gown with long sheer sleeves, featuring a sheer bodice covered with Belgium lace and pearls. The floor-length train and matching veil accented the gown.

Mrs. Karen Holcomb served as matron of honor. She wore a light blue floor-length gown with dark blue floor-length ribbon. She carried three white roses tied with dark blue ribbon.

Miss Becky Rhodes, sister of the groom, wore a gown identical to that of the matron of honor. She carried two white roses with dark blue ribbon.

Kim Walker of Belle Glade served as best man.

Cecil Holcomb and Ronnie Hart, both of Belle Glade, were the

groomsmen. The bride's mother wore a floor-length peach polyester gown with long bell sleeves. Her corsage was a white orchid.

The groom's mother wore a floor-length bone crepe gown with a lace jacket. Her corsage was a green cymbidium orchid.

Following the wedding, a reception was held at the church. The three-tiered cake was decorated with light and dark blue flowers.

Assisting in serving were Angie Garza, Linda Parson, Maxine Parson and Barbara Parson.

Teresa Wiseman was in charge of the bride's book.

The bride selected black double knit slacks and a black and white top for her traveling costume.

The couple spent a weekend honeymoon on the coast, and are now residing at 800 S.W. 16th St., Belle Glade.

Out-of-town guests were: Mrs. Vestie Parson, Athens, Tenn.; Mrs. Karl S. Ingemann, West Palm Beach; Col. and Mrs. C.A. Fleming, North Palm Beach; Mrs. Jewell Vandiver, West Palm Beach; Mrs. Kenneth Wiant and children, Kelly and Russell Wiant, Fort Defiance, Arizona; Mr. and Mrs. Robert Apelgren, North Palm Beach; Mr. and Mrs. W.S. Plummer, Tequesta; Mr. and Mrs. Paul Taylor, West Palm Beach; and Mr. and Mrs. Walter Shiply, Clewiston.

Mu Upsilon reports on December meetings

BELLE GLADE—Mu Upsilon met on Dec. 6 in the home of Carol Zumpi. The meeting was led by Pres. Dorinda Shutt.

Final plans for the dollhouse were discussed. A program was given by Carol Zumpi.

The meeting was then adjourned and refreshments were served to those present by the hostess.

The Dec. 20 meeting of the chapter was held in the home of Dorinda Shutt.

The business meeting was led by Mrs. Shutt. Carol Zumpi, Ways and Means chairman, announced the winner of the handmade dollhouse.

The drawing was Dec. 17 at Averill's, and the winner was Marie Soles. Many thanks to husbands Larry Courson, Michael Zumpi, and Franklin Shutt for their work!

The social for Dec. 21 was discussed. The meeting was adjourned. A Christmas party followed the meeting. Secret sisters were revealed and new ones for the new year were drawn.

It was a lovely party. Refresh-

ments were served to Aritha Keene, Sharon Courson, Karen Pierson, Carol Zumpi, Elouise Culpepper, Davene Bailey, Marsha Oren, Janet Marr, and Linda Parrish by hostess Dorinda Shutt.

A Christmas party was held in Voerge Hall for the families of Mu Upsilon on Dec. 21. Santa arrived with fanfare on the Belle Glade fire truck.

Each child was called to Santa's knee to receive their Christmas gift.

Refreshments were served to Sharon and Larry Courson and children Gary, Lori and Ryan; Dorinda and Franklin Shutt and child Shelli; Elouise and David Culpepper and children Shannon and Jason; Carol and Michael Zumpi and children Laura and Davie; Davene Bailey and children Marcy and Seth;

Aritha Keene and children Anna, Cindy and Mike; Mike Marr and children Beau, Michael and Chris; Marsha and Paul Oren and children Thad, Lania and Craig; Linda and Larry Parrish and children Kim and Chad; Karen and Tommy Chaviz and children John, Danny and Faye.

Why come to the library?

By Jeannette Gilbert Librarian

BELLE GLADE—Not everybody who comes to the library wants to check out a book. In fact, almost half of the people who come in don't even have a library card!

True, the ones under six years old are too young to have a card yet. But many come with their classes to watch movies.

Children also come to play checkers or put puzzles together or to look at comic books. Some even learn how to behave in the library!

Sewing freaks bring their used patterns to exchange for somebody else's. Many people have papers to copy. Some gaze in awe at the rock and shell collection. Paperback readers exchange books. Interested Anglos learn Spanish on Tuesday nights. Clubs hold meetings in the library.

Some people come to read the Belle Glade Herald or the Wall Street Journal or Black Belt.

Saturday afternoons anyone can come to see films. Blind people come on Tuesday afternoons to learn basic living skills. Visitors come to see the museum. Teachers come to reserve books for their classes and to plan assignments. And of course, students come to get information for research papers and homework answers.

Why do you come to the library? Do you have some paperbacks or patterns you'd like to trade? Or some simple puzzles to get rid of? Do you belong to a group that needs a place to meet? Do you have an idea for a program you'd like to offer to the community? Would you like to learn Spanish? Or bring your children to a higher quality of film than they usually see on television?

Come on down to the library and let us try to help you.

We'll even check you out a book! Hours are: Monday - Thursday 10 a.m. - 9 p.m., Friday 10 a.m. - 6 p.m., Saturday 10 a.m. - 5 p.m.

Senior citizens ask for countywide discount day

BELLE GLADE—The Chamber of Commerce delayed a decision last week on a request for support of a county-wide monthly discount day for senior citizens.

Chamber Board Chairman Dale Stapp told Mrs. Calvin Clay of the Senior Citizens Council he didn't believe he could give her an answer Thursday during the regular board meeting on her request and said he would like to feel out the membership before responding.

Mrs. Clay was asking for Chamber cooperation in a plan which would ask merchants to set aside one day a month when they would offer a discount to senior citizens.

She said if it were during a slow day, it could increase business flow.

The only definite response to the request came from Board member Joseph Hughes, a local pharmacist, who said he would be opposed to the idea.

"I would object to giving a discount to any one part of the population," Hughes said, "when it would mean the expense would have to be borne by the rest of the population."

He said he felt, for instance, a young married couple getting their start in life deserved a discount as much as older citizens.

Pahokee Methodist Women officers

Domestic shelter opened for physically abused women

On Jan. 1, the Domestic Assault Shelter opened in a plan which provides services to the physically abused woman, the battered wife and her children. Services include 24-hour coverage (housing, food and crisis counseling), referral to other social agencies and community education.

The program is being sponsored by the Y.W.C.A., Palm Beach

Community Foundation, Bethesda-by-the-Sea Episcopal Church and the Community Development Trust Fund. Referrals are accepted from police departments, social agencies and crisis line. For information on referrals, call 833-2439 weekdays from 9:00 - 5:00 and crisis line, 588-1121 after hours, weekends and holidays.

Chili supper set Monday by Raider Class of 79

BELLE GLADE—A chili supper will be sponsored Monday afternoon at the Glades Central High School main campus cafeteria by the Class of '79.

The supper, due to be held from 1 to 6 p.m., with takeout meals available, will cost \$1.25 each and will consist of chili, crackers, salad, coffee or tea and various desserts, according to Rodney Bickel, one

those working on the project. Bickel said the supper is only one of a number of projects being performed by the junior class to help pay for the junior-senior prom. He said the class has already sponsored a dance, a bake sale, a magazine sale and is sponsoring a continuing Assistance Limited Book Store at the high school annex.

Ms. Debra Moorman completes six month course

BELLE GLADE—Debra Moorman, Chiropractic Assistant to Dr. Paul W. Llewellyn, recently completed a 125-hour certification course in Chiropractic Assistance, sponsored by Logan Chiropractic College of St. Louis, Missouri and the Florida Chiropractic Association.

The six-month course of study was held at the Holiday Inn, Hollywood Beach, Florida.

Ms. Moorman has received instruction for certification in Chiropractic Office Management, Practice-Principle-Terminology, Anatomy and Physiology, Patient Prepa-

ration, Basic Laboratory, Book-keeping, Major Medical-Liability-Medicare Insurance Reporting, and Professional Ethics. Instructors for the course were Jacquie Bradshaw of Ocala, Florida and Doris Logan of Miami, Florida, extensional post-graduate lecturers with Logan Chiropractic College.

The Chiropractic Assistance Course is offered by the Florida Chiropractic Association and Logan Chiropractic College in an effort to train the chiropractic assistant to better help the people she serves on a day-to-day basis.

Glades Republican Club sets general meeting

BELLE GLADE—Members of the Glades Republican Club will hold a general membership board and officer's meeting Thursday, Jan. 26, at the Belle Glade Country Club to elect officers for the upcoming year.

Outgoing President Michael D. Miller urgently requested all mem-

bers to attend the meeting.

"The Club is financially in sound condition as will be reflected by the treasurer's report," Miller said, "We are, however, in desperate need of members to work during the year to fill positions as officers and board members of the club during this most important year."

New officers of the Pahokee Methodist Women installed

PAHOKEE—The January meeting of the United Methodist Women of Pahokee was held in the Chapel of the church on Tuesday Jan. 3, at 8:00 p.m. President Marguerite Maxwell presiding.

Vice President Mrs. Francis Vorhees opened the meeting with prayer. Mrs. Tina Elliott conducted the installation of the general officers for the upcoming year.

New officers for 1978 are: Pres. - Mrs. Marguerite Maxwell, V. pres. - Mrs. Francis Vorhees, Secretary - Mrs. Norma Cook, Treasurer - Mrs. Marie Hendrix, Christian Personhood - Mrs. Irene Bowe, Global Concern - Mrs. Marjorie Hatton, Supporting Community - Mrs. Bernice Simonson, Christian Social Concern - Mrs. Bernice Simonson, Secretary of Program Resources - Mrs. Dorothy Stanley, Membership - Mrs. Kathryn Spencer and Mrs. Jo Hatton, Card Committee - Mrs. Louise Brown, Adult and Student Ministry - Ms. Nellie Moss, and Chairman of the

Simonson-Lair Circle - Mrs. Esther Hundley.

It was announced that Mrs. Sandy Stitt of Clewiston who represents the United Methodist Women Concerned Committee will present a slide tape of viewpoints pertinent to the farm workers and church in our area. It will be presented at the next general meeting of the United Methodist Women in the Pahokee Methodist Church Chapel on February 6, at 8 p.m.

The Miriam Dulany Circle will be in charge of the refreshments after the film is shown in the Fellowship Hall.

Mrs. Irene Bowe, Christian Personhood chairman, announced the Day of Prayer and Self Denial will be held in the Chapel on Wednesday January 18, from 9 a.m. until 5 p.m.

After the close of the meeting, delicious refreshments were served in the Recreation Hall by the Vena May Schroder Circle.

Census Bureau to take Employment survey here

Local representatives of the U.S. Bureau of the Census will conduct a survey of employment in this area during the week of January 16-21. Thomas W. McWhirter, Director of the Bureau's Regional Office in Atlanta, announced today.

The survey is conducted monthly for the U.S. Department of Labor using a scientifically designed sample of approximately 70,000 households throughout the United States. Employment and unemployment statistics based on results of this survey are used to provide a continuing measure of the economic health of the Nation.

For example, in November the

survey indicated that of the 99 million men and women in the U.S. civilian labor force, 92.2 million were employed. The Nation's unemployment rate was 6.9 percent, compared to 7.0 percent in October and substantially below the recession peak of 8.9 percent reached in the second quarter of 1975.

Information supplied by individuals participating in the survey is kept strictly confidential by law and the results are used only to compile statistical totals.

Interviewers who will visit households in this area include: Doris Rosenberg, Selma Leavitt and Erika Johnson.

City Golden Anniversary plans continue to be firmed

BELLE GLADE—Plans for the city's Golden Anniversary celebration continued to be firmed up Friday during a meeting of the Bicentennial Committee meeting, with a chairman being named for the teenage dance and alternate places to hold a skit and a gong show were decided on.

Committee chairman Dolly Hand said she had been informed by Mrs. Deborah Altman that Mrs. Altman would consent to head up the teenage dance to be held April 8, although it was not clear where the dance would be held.

The committee also decided to hold the skit, meant to depict the meeting in which Belle Glade was founded on April 9, 1928, and a

Gong Show, at the Municipal Civic Center unless a better place could be found.

There was also some discussion about whether the skit and show could be held at the National Guard Armory and a motion was made by Committee Secretary Mary Orsenio left the final solution flexible but if nothing better is available, the civic center will be used and more than one performance will be presented.

The committee also decided that until further notice, the meetings would be held every second Friday, beginning with Jan. 27, and anyone is welcome to attend and offer any suggestions they may have. The meetings begin at noon in the Municipal Library.

Garden Study Club meets in the Wedgworth home

BELLE GLADE—The Belle Glade Garden Study Club held its January meeting in the home of Mrs. Ruth Wedgworth with Mrs. Nancy Creech as co-hosts. Mrs. Ruth Kreidler was welcomed as a

new member. The winner of the plant, a bromeliad, was Mrs. Linda Steele. The poinsettia specimen contest was won by Mrs. Joan Thompson, second place by Mrs. Gloria Swager, and third place, Mrs. Linda Steele.

In the arrangement contest, Mrs. Nancy Creech, Mrs. Nancy Swager second and Mrs. Joan Thompson third.

Horticulture Chairman, Mrs. Joy Larsen, gave advice on protecting plants from cold and suggested vegetables and flowers to be planted this month.

Mrs. Mary Ann Gunter presented a program on growing soil-free potted plants.

Members attending were Mr. Francis Ball, Mrs. Joan Thompson, Mrs. Anna Mae Chapman, Mrs. Nancy Creech, Mrs. Sayde Duda, Mrs. Ruby Jones, Mrs. Joy Larsen, Mrs. Carl Lockmiller, Mrs. Linda Steele, Mrs. Janice Suttle, Mrs. Gloria Swager, Mrs. Kate Trammel, Mrs. Edith VanLandingham, Mrs. Ruth Wedgworth, Mrs. Bee Wood, Mrs. Mary Roth and Mrs. Lynette Thompson.

Xi Beta Gamma attends races at dog track

BELLE GLADE—Members of Xi Beta Gamma chapter of Beta Sigma Phi, their husbands and guests, attended the dog races at the Palm Beach Kennel Club in West Palm Beach Saturday evening, Jan. 14. Preceding the races, dinner was enjoyed at the Paddock Room.

Those attending were Mr. and Mrs. Frank Anderson; Mr. and Mrs. Warren Battle, Mr. and Mrs. Milton Carpenter; Mr. and Mrs. Howard Drawdy, Mr. and Mrs. Eddie Jones, Ms. Betty Kidder, Mr. and Mrs. Earl Lindroser, Dr. and Mrs. Mendel Luce and daughter, Cici, of Lakeland, and Ms. Charlotte Barnett of West Palm Beach.

Woman's Club sets meeting

BELLE GLADE—The Belle Glade Woman's Club will hold its monthly meeting at 12:30 p.m. on Jan. 19 at the Belle Glade Civic Center.

Mrs. Hazel Litchfield, program chairman, stated that the Fine Arts committee will present a discussion on arts and crafts.

Rev. Spivey speaks at Church of God

BELLE GLADE—The Rev. J. Frank Spivey, of Cleveland, Tenn., will speak in a special Missions service at the Belle Glade Church of God Sunday, Jan. 22, 1978, Pastor Roy Miller announced today.

Spivey, a foreign missions representative for the Church of God, will report to the congregation on the current ministries of the denomination outside the United States.

With an overseas constituency of more than a half million, the Church of God presently maintains works in almost 100 countries and territories. The Church of God is

one of America's oldest Pentecostal denominations and an authentic voice for the Pentecostal movement.

Rev. Spivey, a native of Georgia, has held successful pastorates in that state, as well as North Carolina and Tennessee. He was the state overseer of Arizona when appointed to the foreign-missions department of his denomination, and has held a similar position in Montana.

A noted camp meeting preacher, he currently visits more than 200 local churches each year throughout the United States.

The Missions service will begin 11 a.m., according to Pastor Roy

REV. SPIVEY

Miller, and the public is cordially invited to attend.

NET

One of the definitions for a net is a trap or a snare. A net is used "to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the traditions which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Christian Businessmen Fellowship meets Friday at the Holiday Inn

BELLE GLADE—The Christian Businessmen's Fellowship board of directors will hold a luncheon meeting Friday at the Holiday Inn in Belle Glade.

Board member Jack Shafer said the principal speaker will be Sam Sachs, retired electrical contractor from Elmhurst, Ill. The general public is invited to the meeting.

Mr. Shafer and two other Belle Glade residents, George Royal and J.B. Simmons, serve on the board of the county-wide organization, which was first incorporated in Florida in 1976.

Its objective is to promote programs of witnessing outreach by Christian businessmen and professional men, using every possible means to win others to Christ and to initiate opportunities of Christian growth by the study of the Word of God and the spiritual development of believers in Christ.

The Christian Businessmen's Fellowship conducts seven prayer breakfasts throughout the county, including one each Thursday morning at 6:30 at the Holiday Inn. Local businessmen are invited to attend the breakfast.

In addition, the organization has a county-wide yearly prayer breakfast in the West Palm Beach Auditorium in which speakers such as Governor Reuben Askew, astronaut Jim Irwin, and Miami Dolphins Norm Evans and Mike Kolen have spoken. The next such meeting will be held March 11.

Christian Businessmen's Fellowship has a large ministry of Bible study and Bible cassette distribution with thousands of Bibles placed without charge in hospitals, nursing homes, YMCAs, YWCAs, migrant camps, half-way homes, and rehabilitation centers.

These Bibles have provided great hope and comfort to those in need and seeking help. For more information on the organization, local business and professional men are asked to contact one of the three local directors.

him," O'Neal said, "was completely obsolete. I didn't want anyone to think I had anything to do with it. It's been a practice to have a complete meeting of the commission before anyone like a police chief is hired and I don't believe it was an emergency."

Mayor Billy Wells pointed out that O'Neal had been notified of the meeting, called on a Wednesday because City Attorney James Gann would not have been able to attend the meeting that Tuesday.

Police Commissioner Vernita Cox said she didn't really want to get into an argument concerning McGaha because she has to work with him but she didn't feel the selection was made in the correct manner either.

She said she had seen no application or resume from McGaha and she felt the decision should have been made by the entire council.

The commissioners were told, after a question by Mrs. Cox, who said she didn't understand a \$2 fee being attached to a number of water bills, by City Clerk Virginia Walker that the \$2 was a late fee.

Mrs. Walker said the fee is being used in lieu of a 10 percent surcharge called for by the city ordinances for any water bill more than 15 days overdue, even if it has been partially paid. She said the ordinance has been in existence for some time but former City Finance Director A.R. Grigsby initiated the use of a \$2 fee instead of the 10 percent surcharge.

The city attorney pointed out, when Mrs. Cox and Commissioner O'Neal said they didn't think the late fee had been enforced, that the ordinance should be enforced as written or should be changed or deleted.

No decision was made to either stick with the \$2 fee, go to the 10 percent fee or delete it entirely.

The commission authorized Harrelle to advertise for a back-

hoe he has had budgeted for the past two years. "I'm getting first in line this time," Harrelle commented.

Civitans donate to ARC

BELLE GLADE—The Belle Glade Civitan Club gave a boost to the Glades Area Association for Retarded Citizens when Tom Shaw, secretary of the club presented a check for \$175 to Charles Rosessing, president of the Glades ARC.

The money will be used to help ARC reach its goal of taking over the operation of the local ARC preschool located at Northwest Second St.

Tricia Graves, ARC director, said approximately \$3,500 a year is needed to educate one child at the pre-school, as compared with \$12,000 cost for a retarded person to stay at an institution.

The presentation to ARC, was

the third annual donation the Civitans has made as part of their yearly community project.

"You really don't know what's happening in the pre-school, unless someone tells you, Shaw said. The Civitans are keenly interested in seeing that local kids, that are retarded, learn the proper values of life at an early age, he said.

The money donated to ARC, Shaw said was the result of the annual cake and halloween candy sales by the club, with the monies going to six local agencies. "None of the money goes out of the Glades, and the Civitans hope that other local agencies help out too.

WHAT IS MISSIONS?

When I was 18 years old the Lord called me to preach. Little did I know then the involvement of this calling. It meant total commitment, but I was not committed. It meant education, but I was not disciplined. Like Jonah, I was willing to answer the call but on my terms.

I remember standing before my home church and singing the words "I'll go where you want me to go dear Lord", but at that time I didn't realize Ashaffenburg, Germany would be that place.

Like that experience there is a misconception of mission. To some it means some remote place way off, this is not so. Missions are in the local community or even next door.

Why do we worry about the little starving child in India and never once think about the American that lives in the ghetto or the Indian in the Southwest?

Last Sunday night, Jan. 15, in a matter of minutes over seventy people, men, women and children, lost everything they had in a fire that took their homes.

It was not a flash flood in Kentucky or an earthquake in South America, but a fire that destroyed clothing, food and homes in South Bay, Florida. These people are hurting and they are our mission project.

Many people in the community have asked, "What can I do to

help?" We have started a drive to help give back to those less fortunate than ourselves their possessions and dignity, for if it was not for the grace of God we might be in their shoes.

Please either call or bring canned goods, clothing, or your money to the First Baptist Church, S.W. 6th Ave, South Bay, or call 996-2529.

Clothing and articles collected will be dispensed from 2 to 5 p.m. Saturday at the church.

God Bless You, Bill

the second fire fought during the night by the Fire Department with the first taking place at 8:15 in the home of Miss Harriett Edwards on Southeast First Avenue.

Harrelle said only two rooms were damaged by fire in that blaze and no damage at all was done on the ground floor. He said there was more damage from smoke and water than from fire but the Rev. Bill Anderson of the First Baptist Church in South Bay said Miss Edwards lost everything and the church is also seeking assistance for her.

Miss Edwards wasn't at home at the time of the fire and Harrelle said the only injuries were to her pet dog and cat, both perishing in the flames.

er the agreement to City Attorney Ralph Johnson and the City Council would take the matter up for discussion in the near future. He asked Hunt to appear before the Council whenever the matter comes up and Hunt agreed.

The Pahokee Council has in the past expressed displeasure with an action taken some time ago by the BPA, which McKinstry voted against, which rejected a Pahokee request to be reimbursed for hauling trash and garbage to the new site in Belle Glade.

No final decision was made by Pahokee to withdraw from the project but the city still hasn't agreed to sign a contract either. Following Pahokee's action, the other members wrote into the agreement a provision that any agency which wants to join at a later date can do so only with the approval of the BPA and the Authority.

While it wasn't drawn into the agreement, it was made clear that approval may come only if the new agency agrees to pay what amounts to an impact, or latecomer's fee to make up for expenditures already made by the other agencies already a part of the agreement.

When McKinstry asked Hunt what obligation South Bay could expect if it decides to come in late, Hunt explained that according to the agreement, the cities aren't going to be obligated to pay, but to pay the same fee as the other members.

"In that case," McKinstry said, "if for Pahokee to sign the agreement"

TRIKSADEKAPHOBIA may have been reinforced for some people last week, at least at one intersection. Friday the 13th made some converts when two traffic accidents occurred within half an hour at South Main and Southwest Ave. C. The first occurred when John Shea Young, 22, of 1501 N.W.

Ave. E was rammed by another car pulling into Main and the second within 25 minutes happened when Sergio Enrique Armayor, 63, of 117 S.W. Ave. C was struck, when the pedestrian was attempting to cross Main, by Mercedes Hernandez, 19, of 217 S.W. Ave. D.

Water was below standard

SOUTH BAY—City water supplies fell below the standards set by the State Department of Environmental Regulation during the month of November, according to Utilities Director Lomax Harrelle, but it was only a temporary condition that was quickly resolved.

The city confirmed this week to a requirement in the Federal Safe Drinking Water Act, which went into effect Jan. 1, 1977, by publishing a public notice that the city water supply failed to meet the standards.

Harrelle said the turbidity units in the water supply exceeded the one part in a million allowable under the state requirement, although not the old requirement of

less than ten parts per million. He said the problem came up when repairs were mandated on the city water treatment plant filters, work which was accomplished during the same month the standards weren't met.

Mental Health sets regular meeting

BELLE GLADE—Member of the Community Mental Health Center of Palm Beach County Glades Steering Committee will hold their monthly meeting at 12:15 p.m. today in the Glades Branch at 300 West Canal St. South.

"At this meeting," Director Jean Cogar said, "we will report on our

recent presentation to the Mental Health Center Board on the unmet mental health needs of the Glades and the Board's reaction to our presentation."

Miss Cogar said lunch will be served in the meeting and if anyone desires transportation to call her at 996-2079.

LOCAL OFFICIALS OF THE GLADES sugar industry participated Tuesday in groundbreaking ceremonies for the new bulk raw sugar terminal at the Port of Palm Beach. From the left is Lee K. Spencer, chairman of the Port of Palm Beach Commission; George Wedgworth, president of Sugar Cane

Growers Cooperative of Florida; S.N. Knight, Sr., president of Atlantic Sugar Association; Miguel Rubio, executive vice president of Gulf and Western Food Corporation; and Alfonso Fanjul, Jr., executive vice president of Osceola Farms Company.

Board welcomes new members

PAHOKEE—The Loula V. York Memorial Library Board met at the Library on Wednesday, Jan. 11 for the regular meeting. New Board Chairman, Mrs. Jeanette Johnson welcomed new members: Mrs. Gordon Carter, Lewis Edwards and Ralph Crews. Other board members attending were Mrs. Kay Korbly, Mrs. Lyn Brinson and Librarian, Mrs. Dot Harvey.

As the first meeting of the new year, Mrs. Johnson reviewed the by-laws and duties of the Library Board. There was some discussion of a report sent to all municipalities in the system written up by John Sansbury.

The Library Board, Librarian Dorothy Harvey and assistant Librarian Kathryn Powell extend their services to the people of the

community. "Since the library is maintained to be of service to its patrons, we would welcome any suggestions as to how we could improve or increase our services," Mrs. Harvey said.

Anyone who may have a book tucked away or laid back, with good intentions of returning it to the library, is urged to make that special effort to return these past-due books. "Someone else may be in need of just the book you have failed to return," Mrs. Harvey notes.

Members of the Library Board are: Chairman, Mrs. Jeanette Johnson; Vice Chairman, Mrs. Kay Korbly; Secretary, Mrs. Lyn Brinson; and members Mrs. I.M. Lair, Mrs. Gordon Carter, Ralph Crews, and Lewis Edwards.

Mrs. Hundley presides at Circle meeting

PAHOKEE—The Simonson-Lair Circle met with Mrs. Esther Hundley. Present were nine members and three visitors, Mrs. Ruby Hundley, Mrs. Hazel Ruthain, and Mrs. Mable Ruggles.

Mrs. Hundley presided and opened the meeting with a prayer and poem of "Mother Bowe." She then introduced Mrs. Lillian Hutton, who gave a delightful program on "Living For Christ," showing the steps that lead to

complete commitment.

Mrs. Hundley announced the World Day of Prayer is Jan. 18, 9 a.m. to 5 p.m. and the general meeting will be held Feb. 6. For February, Mrs. Nellie Moss will be hostess.

The meeting was closed with the Prayer Circle remembering the shut-ins and the bereaved.

Pahokee wins wrestling title for second year

WEST PALM BEACH-Saturday the Pahokee High School Wrestling team met in conference matches held at Cardinal Newman High School, winning the Suncoast West Conference Title for the second year in a row.

The Title was won by strong team effort from the following winners:
First Place: 115 lbs. - Larry

Wiley; 148 lbs. - Douglas Thompson; 170 lbs. - William Joseph, and 188 lbs. - Frank Walker.
Second Place: 108 lbs. - Doug Elliston; 122 lbs. - Mike Bouie; 129 lbs. - Aaron Wilbon; 158 lbs. - Joe Miller.
Second Place in the Unlimited - Pompey Owens; Third Place, 101 lbs. - Terry Walker; 135 lbs. - James Hollis; 141 lbs. - Glover Williams.

Blue Devils beat Suncoast by one

PAHOKEE-Tuesday night, Jan. 16, the Pahokee Blue Devils and the Suncoast Chargers met in the Pahokee gym in a stinging battle, Pahokee ending the game with a one-point lead. However, the final score was not without controversy.

The controversy apparently began when an official called a foul on Suncoast's Anthony Carter as time ran out on the clock. The score was 64-63. Blue Devil Joe Brown, who was fouled, then took his one shot and missed.

However, the official was informed that there should have been one second left on the clock. Confused, the official put one second on the clock and gave the ball to Suncoast. Charger John Bivins then threw a long pass the length of the court, caught by Jack Beuhel who made the shot, apparently winning the game for Suncoast, 65-64.

Then the arguments arose. Neither official could make a ruling on whether the buzzer sounded before the shot was made. Thus, according to rules, the decision went to the timekeeper, who happened to be a former Pahokee student. The timekeeper ruled that the buzzer had sounded, nullifying the Suncoast basket.

Both teams applied steady pressure to win, this being a conference game. As Pahokee eked out a

victory, they moved into third place in the six-team division.

Senior guard Joe Brown pumped in 26 points during the game and Stafford Everett followed with 18 points.

With good outside shooting from Charger guard Cari Pierce, a junior, Pahokee could not prevent the halftime score of 32-27.

Pahokee basketball coach Eddie L. Rhodes explained, "A lot of turnovers and mistakes were made in the first half but I hope we can change that in the second half."

Pahokee and Suncoast played side-by-side in the third quarter

with the score being tied 48-48 at the end. But the Devils gradually pulled away with their questioned victory of 64-63 over the Chargers.

"It was a very closely fought game. After the first half Pahokee finally began to look like a basketball team. But, special recognition should go to senior center Charles Biggs, whose stupendous rebounding sparked the game," Rhodes stated.

When asked about the upcoming game Friday night, Coach Rhodes replied, "I can only assure you there will be five players on the court."

Glades Day wins two, loses one

BELLE GLADE Glades Day's basketball team advanced to a 5-2 record this past weekend when they beat the Classroom and King's Academy, but fell to rival John Carroll.

Thursday night, the Glades romped to a 122-23 win over the Classroom with every player on the varsity team scoring in double figures.

Coach Dick Schmidt said the Classroom had an extremely young and inexperienced team and when he meets them again, he will play his junior varsity against them.

But King's was a different story.

In the 73-67 Gator victory, which Schmidt termed a "see-saw" victory, Don Henderson led the winners with 20 points followed by Jon Scruggs with 18, Ken Buckner with 12, Tommy Duda gathered in 16 rebounds and Scruggs 14, followed by Henderson with 12. "We shot good throughout the game," said Schmidt, "hitting 58% from the floor." It was probably this effective shooting that led the team to victory. "We were quite pleased with the game all around," he said.

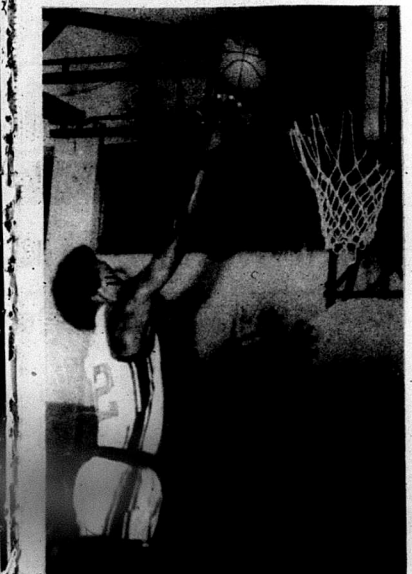

Then John Carroll came along Saturday night and whipped the

Gators 62-46, but the game was closer than the score indicated, at least in the first half.

At the half, the Gators led 32-30 and once in the second quarter, they were ahead 22-8, but Carroll grew hotter as the game went on and started going inside where a big center gave them the upper hand.

"We shot cold the second half," said Schmidt, "and we couldn't manage their press. It was one of those games where you really don't know what went wrong." He noted Kings had used the same basic

TV star fishes against local folks

Junior Samples comes across in real life just as he does on television...but behind the two-tooth grin is a mind sharper than a Georgia fishhook.

And that fishhook will be tested this week as Junior and a number of local anglers meet to fish the first National Bass Fisherman tournament ever held on Lake Okeechobee.

With a guaranteed purse of \$26,500 and a maximum of \$62,500, this tournament is one of the richest ever to come to Clewiston and is attracting fishermen from all across the United States.

Samples is one of the stars of Hee Haw, a country-western song and comedy show syndicated on over 12 television shows across

Saturday, he met with representatives of the local media to tell them about his experiences on the show and in the rarified atmosphere of chasing bass for cash.

In fact, fishing was one of the reasons Samples became a television star. A comedy record he released several years ago on the new "world record bass" his brother had supposedly caught sold over a million copies and gave his career added impetus. At the time, he was traveling, doing a few comedy acts in small night spots, and working as a carpenter.

But that appears to be the only time he was funny when he talked about fishing. Now he's downright serious.

And he has to be. In the five tournaments Samples has fished thus far since he switched from natural to artificial baits three years ago, he's fished "in the money" in four.

In this Gold Medalist tournament, Samples said he only hopes to finish in the top 25, but one feels he's really going for the big first prize of a Hush boat, an trailer and a minimum of \$10,000 in cash.

Not that a television star really

worked out, provide him with a steady supply of equipment, even a brand new Mercury outboard.

Samples has fished all his life in his native Georgia, but used only minnows and "spring lizards" (Georgia salamanders) for bass. Once he made the switch to artificials, the bug bit for real and now his high performance bass boat is loaded with all the paraphernalia of the professional bass fisherman.

As of Saturday, he had not yet seen a hook in Lake Okeechobee, but has fished in Kissimmee where he said the water was musky grass. He'll find Lake

Okeechobee to be mostly the same.

As of Saturday, 74 people had registered in the 250-man field and a number of anglers from the Clewiston Southwest Lake Okeechobee Bass Club, the Belle Glade Bassmasters, and the Pahokee Tackle Testers are expected to enter, according to the NBA tournament director.

And Samples said Saturday it's a sure bet he won't get any help from the local competitors. "One thing I've learned in these tournaments," he noted, "is that the contestants will lie to you."

Such is life and pro bass fishing.

Raiders ahead in district race

BELLE GLADE—Glades Central's 97-56 romp over Cardinal Newman Friday night gave the Belle Glade team a definite half-game lead over undefeated North Shore in the race for the Suncoast Conference West championship.

The Raiders opened the game with a 26-8 lead at the end of the first quarter and widened the margin every period of play after that in a game Coach Jay Seider said was the best this year for the Raider defense.

Seider said the Raiders caused a total of 39 turnovers in the game. "We scored quite a few on layups in the first half," he said, "and a lot of those came from steals. Rufus Chambers had seven steals and he was one of the reasons we jumped out to an 18-point lead in the first quarter."

The head Raider said the Glades Central offense was clicking well also and pointed out that while the Crusaders scored on 54 percent of their shots compared to 57 percent for the Raiders, the Raiders took 78 shots compared to the Crusaders' 35 attempts.

"We probably ran the fast break as well as could be expected," he said, noting the Raiders made ten of their shots in the first quarter from within the free throw line. Seider said he took his first stringers out of the game at the end of the first quarter, allowing the second stringers to play for most of the second and final periods with the result everybody on the team, except one player, scored and four of the ten players scored in double figures.

Jessie Haynes was once again the high scoring player for the Raiders, sinking 16 points and making nine rebounds. He was followed on the scoring trail by Michael Staples with 12 points, two rebounds, three assists and four steals; Joe Byrd with 11 and

two and Rufus Chambers with 10 and six.

Arthur Slater made seven points and seven rebounds, Melvin Weston made six and two, David Jones scored six and four, Charlie Perkins made six points; Todd Daville made four and six and Edgar Arnett came up with two rebounds and one steal.

Seider said he is hoping the Raiders can continue their winning streak through this week and go into the Jan. 28 confrontation with North Shore undefeated in conference play.

Glades Central was to travel to Suncoast for a conference game Tuesday evening and host Atlantic here this Friday. The Raiders will then go to Jupiter Saturday

and will play Clewiston here next Friday before running into North Shore.

At this writing, Glades Central is 3-0 in conference play and the Mustangs are 2-0. North Shore is undefeated and ranked number one in the state in Class AAA while the Raiders have an overall 8-4 record.

Belle Glade Recreation Corner

BELLE GLADE—The Belle Glade Recreation Department is putting on a film program that is scheduled to begin Jan. 23 and end May 24, 1978.

The films are directed toward a youth audience, but will be free to all citizens of Belle Glade. All the films that are scheduled are rated "G," indicating suitability for all ages.

Films are scheduled approximately every two weeks and will be shown at three different locations—the Lake Shore Civic Center, the Municipal Civic Center, and the Marina.

Films shown at the Marina are for registered campers only. The films will be shown at the Lake Shore Civic Center on Monday evenings, and the Marina on Wednesday evenings.

Cost of the program is estimated at \$1,200. Some of the films scheduled are "Which Way to the Front," "Cinderella," and "The Big Mouth"—all Jerry Lewis films. Other films include "Swiss Family Robinson," "The Incredible Mr. Limpet," "A Connecticut Yankee in King Arthur's Court," and others.

Pahokee wins by one

PAHOKEE—it seems as though the Pahokee High School basketball team enjoys keeping their fans in suspense. While they win their game in the last few seconds, Friday night the Devils played another suspenseful game against the Atlantic Eagles in which the Devils had a one-point victory of 57-56.

The Atlantic Eagles, led by Tim Cornelius, who scored 18 points during the game, dominated Pahokee at the half with a score of 32-26.

But nevertheless, Pahokee's defensive players, Charles Biggs and Osmond Edwards, were steadily

rebounding and blocking shots during the end of the third and the fourth quarter and giving Joe Brown of Pahokee a chance to build Pahokee's score and win the game.

Coach Eddie L. Rhodes said of the game, "My big men (Charles Biggs and Osmond Edwards) played an outstanding game, along with Joe Brown, who outscored everyone with 27 points. But I believe special recognition should go out to Ned Baldwin, Marcus Manuel and Coleman Chisem who, with their upholding, made it possible for another Pahokee victory."

tactics the night before but the Gators had overcome them. Leading the Gators in scoring was Henderson with 14 followed by Scruggs with ten. Duda captured nine rebounds during the evening.

Friday night, the Gators take on Moore Haven at home and Saturday night, journey to Everglades City.

The junior varsity evened its record to 2-2 over the weekend by losing to Kings 63-51 and Carrol

41-39, but they'll be looking for improvements this weekend when they meet Moore Haven and Everglades.

In junior high action, the school is 3-0 for the season with games scheduled against Okeechobee Wednesday night (2 games start at 4:00 p.m.) and Moore Haven Friday (2 games start at 4:00 p.m.).
